

Environmental Policy Statement

"CED Fabrications Limited recognises the importance of protecting the environment. The Company will measure its impact on the environment and set targets for ongoing improvement".

Our Strategy

CED Fabrications Limited has set out the following strategy, which will allow us to achieve our commitment to the above policy:

- Comply with all relevant environmental legislation
- Implement Environmental Management System that meets the requirement of ISO 14001:2004
- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the careful selection and use of its fleet
- Minimise consumption of energy by evaluating operations and machinery.
- Maximise recycling and minimise landfill
- Implement training programs for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.
- Encourage similar principles by its key suppliers.
