

Quality Policy Statement

“It is the policy of CED Fabrications Ltd to design and manufacture catering equipment and domestic kitchens of the highest quality standard”.

This policy forms the basis of the Quality System and is binding on all employees.

Our Strategy

CED Fabrications Ltd has set out the following strategy, which will allow us to achieve our commitment to the above policy.

- We will commit ourselves to listen and respond to customers' requirements.
- We will develop and maintain a Quality Management System that meets the requirements of ISO 9001:2008 standard.
- We will implement performance measurements as a basis for control and improvement.
- We will continually review and improve all key business processes for efficiency, quality and service that aims to exceed customer's requirements.
- We will ensure all employees are involved in the drive for excellence as we believe their abilities, knowledge and experience is our most valuable resource.
- We will commit to build a team approach, which maximizes the individual's contributions towards quality objectives.
- We will train our employees to ensure motivation and dedication towards our policy is always sustained.
- We will strive to achieve 100% customer satisfaction.
- We will comply with all legal and regulatory requirements.

A handwritten signature in purple ink, appearing to read 'Neil Rowbotham', is written over a faint, circular stamp.

Neil Rowbotham
Finance Director.
