- \* 500ml Gel Capacity
- \* Suits Alcohol Gel  $\geq$  60%
- \* No Batteries Or Plugs
- \* Adjustable Feet
- \* Adults Or Children

### Sanitising Post & Manual Dispenser (Alcohol Gel).

Public Health England advise that using a sanitising gel that has an alcohol content of 60% and above, is effective at killing corona virus. The CED alcohol gel sanitising post & manual dispenser is specially designed to help maintain a hygienic environment and allow you to combine safety and practicality at low cost.

**Easy To Use.** Just apply light pressure with the forearm to dispense 1-2ml of the sanitising gel. The 500 ml dispenser suits alcohol gel  $\geq$  60% & is simple to refill. It just lifts out of the post to enable unscrewing of the alcohol gel storage bottle. The sanitising post is available as either a 1058mm (adult) or 858mm (child) high model and features a large dispensing capacity of approximately 250-300 doses. The slotted window in the post provides easy monitoring of gel level.

**Economic & Durable.** This free-standing steel post and sanitising gel dispenser can be placed in several locations for efficiency and security, to encourage PPB (personal protective behaviour). The spring loaded dispenser has been tested for a lifetime delivery of 50,000 doses too!

**Practical.** You can easily install or relocate the sanitising post and heavy duty manual dispenser in many locations as there is no electrical connection.

**Eye Catching.** With its 360 degree operation, the CED sanitising post and dispenser can be strategically placed in multiple locations where hygiene is to be maintained.. at the entrance to your establishment, reception desks, offices, changing rooms etc.

**Suitable For Adults & Children.** The sanitising post is ideal for helping control hygiene in schools too. The children's version makes it easy to instill the importance of hygiene in collective environments.

Designed with a usable 858mm height for children, the sanitising post and dispenser can be positioned in a host of strategic locations like dining halls, classrooms and wherever children congregate.

## (ADULT) SANITISING POST & MANUAL DISPENSER (Alcohol Gel)

Code	Description	Post Size (mm)	Capacity (ml.)
