Auto Sanitiser
(Customer Side)

ABOUT

This modern auto electronic sanitising unit & storage cupboard forms part of the Glide range of mobile dining carts - a choice of cold, hot & ambient commercial catering carts that combine to form a food service counter solution as unique as your requirements! This mobile sanitising point has lockable castors & is made in a convenient 2-1Gn size of 825(l) x 700(d) x 900mm(h). It can be positioned within a counter run to suit the service layout, or used at the dining hall entrance. The model has (3)x auto electronic sanitising dispensers offering 1500 dose capacity & a gel storage cupboard under. The dispensers are suitable for high alcohol sanitiser gel \approx 60%, have touchless operation from a sensor & use 4x rechargeable AA batteries each (recharging batteries/ battery charger included). The s/steel worktop has a removable drip tray (2-4 Gn x 20mm). The front/side base panels are finished in leathergrain plastisol steel, colour merlin grey (BS 18B25). The unit has an ambient rear store cupboard c/w removable sliding s/steel doors & grid shelves.

HEIGHT OPTIONS

Low Height Model (Glide Junior).

850mm or 800mm high options for junior/ primary use.

FEATURES

Model Type.

The Glide auto sanitiser unit is a mobile sanitising gel dispensing unit with an easy clean removable drip tray & an ambient general storage cupboard below. The unit has lockable castors, side fascia panels, a s/steel worktop & s/steel sliding doors to cupboard storage area below. The model has (3)x auto electronic sanitising dispensers offering 1500 dose capacity & are suitable for high alcohol sanitiser gel \approx 60%, have touchless operation from a sensor & use 4x rechargeable AA batteries each (recharging batteries/ battery charger included).

Model Dimensions.

The sanitising unit is available as 2-1Gn (825mm) long, 700mm deep & 900mm high.

Model Finishes.

The outer end panels are finished in plastisol steel, colour merlin grey (BS 18B25). Worktop is 304 gd steel & all other external steel surfaces (sliding doors etc.) are in 430gd. The ambient rear store cupboard has removable sliding s/steel doors & adjustable height removable grid shelves, for easy cleaning.

Low Maintenance

Easy, cleanable surfaces and a durable design ensure low maintenance for users. Refilling the dispensers with gel is as simple as flipping the hinged lids to pour in the sanitiser.

Finishes & Options

The sanitiser unit can be customised with many accessories, such as tray slides, tray rails, coloured front/ end panel finishes and also as low height versions for junior/ primary age use.

The flexible design of the sanitiser unit means it can be positioned as a free standing unit at the dining hall entrance or used within your mobile counter run.

ACCESSORIES & FINISHES

Folding Steel Solid or Tubular Tray Slides.

Tray slides + 40mm (d) height = (h) - 55mm.

Colour Finishes To Front/ Side Panels.

11 alternative choices of durable steel, colour & wood effect finishes for sanitiser unit front/ side panels, to compliment other selected models in the service colour scheme.
